Wellspring Academy
YEARBOOK

Words from Our Principal

This Year 2022-2023 has not been an easy year for Wellspring Academy, but God has been so faithful to us and we are so grateful to Him. We have seen God's faithfulness and favor towards us in this journey of educating and equipping students to become highly skilled, Godly leaders and agents of community transformation. We have seen God's promises come true in this year as it is written in 2 Thessalonians 3:3, "But the Lord is faithful; he will strengthen you and guard you from the evil one". Praise God!

I would therefore like to extend my sincere gratitude to all our parents for their trust, prayers, and support to us. Without your support, this year would have been very difficult.

I would also like to thank the Wellspring Academy staff for their hard work, and commitment to academic excellence and character transformation of our students.

I am grateful to our board of directors who worked tirelessly this year, including meeting on weekends and public holidays to offer support to the leadership team of the school! Thank you and may the good Lord bless you richly.

Finally, a special thank you to the team of staff and students who organized this yearbook, may the Lord God bless you.

Colossians 3:23-24

*Blessings,
Principal Stephen*
